

2nd ISO-FOOD Symposium
Portorož, Slovenia

April 24 – 26, 2023

ISO-FOOD FROM FOOD SOURCE TO HEALTH

Welcome to the ISO-FOOD 2023!

Dear Colleague,

This announcement is an open call for abstracts to the second ISO-FOOD conference that will be held in Hotel Bernardin, Portorož, Slovenia, from April 24-26, 2023.

Conference Program: This symposium welcomes researchers, scientists, experts, and stakeholders to present and share knowledge, experiences, new advances, and research results. We invite you to submit original abstracts in relation to the following broad topics:

- Food authenticity and traceability
- Food safety and quality
- New alternative food sources
- Nanomaterials and nanotechnology
- Foodomics
- Food databases and semantics
- Nutrition & Health
- Risk assessment & risk management
- Metrology in food
- Quality and sources of water

Online registration and abstract submission are now open at www.isofood2023.si, where you can find all the necessary information. It is important to note that we are sponsoring up to ten students' registration costs for the symposium.

Deadlines and Key Dates

Deadline for Abstract Submission	March 1, 2023
Notification of Acceptance	March 15, 2023
Deadline for Early Registration	March 30, 2023
